

ACCESSORIES FOR THE
PHAETON

Das Auto.

QUALITY + SAFETY = VOLKSWAGEN

Your satisfaction is our quality standard – down to the smallest detail. To fulfil this, we only use high-quality materials – excellently manufactured using state-of-the-art production processes and perfectly adapted for your Volkswagen.

Our safety is our priority – down to the smallest detail. For this reason our products are subjected to safety inspections which meet the most stringent requirements and far exceed the legally prescribed standards.

Your Volkswagen is our benchmark – down to the smallest detail. This is why every Volkswagen Genuine Accessories product is developed in conjunction with the vehicle. Our goal: everything must fit perfectly. So that your Volkswagen stays a Volkswagen.

The vehicles shown in this catalogue are occasionally pictured with additional accessories or special fittings. These, along with any decorative elements depicted, are not included in the scope of delivery of the product described.

ENJOY THE BEAUTY OF SMALL THINGS. IN GRAND STYLE.

Perfection is always a matter of detail. The same applies to the Phaeton's elegant appearance. Decide on every decisive detail yourself - beginning with the wheels and tyres. Use the broad range of Volkswagen Accessories to configure the Phaeton to match your own personal taste. So that you can enjoy beauty down to the finest detail.

Note

Figure left shows: **Helios alloy** wheel Page 08

A good grip, reliable acceleration, controlled driving dynamics – almost no other components bear as much responsibility as the wheels. Both for safe driving and for the vehicle's overall look. Our developers, designers and engineers master the balancing act between form and function on a daily basis. They do this by combining top-quality materials with first-class designs to create flawless functions. They then subject the results to intensive testing and refinement until they meet our Volkswagen standards of quality and safety.

***PURE DRIVING PLEASURE.
IN PERFECT SAFETY.***

We test for your safety.

We are not satisfied with just offering you top quality. Therefore our inspection procedures are more extensive, stricter and harder than those demanded by law. And our products are simply safer.

Strength tests

The rotating bending test simulates the wheel loads when cornering, whereas the roll-off test checks the wheel under overload conditions and the impact test puts the impact strength of the edge of the wheel to the test.

Material and surface tests

These tests determine the chemical composition, tensile strength and strain properties of the wheel along with the resistance of the wheel's surface to scratching and corrosion.

Endurance testing

The endurance test is carried out using a bi-axial wheel test bay (ZWARP). This test rig simulates the greatest loads which can occur across the lifetime of a wheel.

Vehicle tests

The clearance test, the wheel bolt tightness test and the threshold test serve to test the wheels under tough conditions on the test track.

*Volkswagen Accessories.
Because Genuine quality is always
worthwhile.*

FEM analysis

The red areas of the results show where the greatest forces act on the alloy wheels. This analysis serves as the basis for designs and dimensions.

Volkswagen Genuine Helios alloy wheel

Colour: Brilliant Silver, wheel size: 8.5 J x 19", ET 45, LK 112/5

Applicable tyre size¹: e.g. 255/40 R19

Art. no. 3D0 071 492 666

Also available as a complete summer wheel.

¹Please see the certificate for the relevant light alloy wheel for further applicable tyre sizes.

An especially resistant coating guarantees that all alloy wheels are suitable for use in winter. Please see the attached price list for technical details. The conditions and information contained in the German TÜV report must be carefully observed.

Please note our wide range of complete summer and winter wheels. You can obtain the catalogues from your Volkswagen Partner or on the internet at www.volkswagen-zubehoer.de.

**Volkswagen Genuine
Champion complete winter wheel**

Colour: Brilliant Silver
Wheel size: 7,5 J x 18", ET 40, LK 112/5
With Pirelli Winter Sottozero, size
235/50 R18-101V XL

Art. no. 3D0 073 248 B Z31

**Volkswagen Genuine

Art. no. 3D0 073 647 1Z2 For left

Volkswagen Genuine Valve caps

Customisation down to the smallest detail: the four valve caps are embossed with the Volkswagen logo and provide the valves with optimal protection against dust, dirt and moisture. 1 set = 4 pieces.

Art. no. 000 071 215 A

Suitable for aluminium valves

Art. no. 000 071 215

Suitable for rubber/metal valves

**Volkswagen Genuine
Wheel bolt locking set**

Secure your alloy wheels even more effectively against jealous thieves with the anti-theft wheel bolt locking set. Colour: Black. 1 set = 4 pieces.

Art. no. 000 071 597

YOU SELECT THE MUSIC. WE PROVIDE THE ORCHESTRA.

Like a conductor, you decide what is played. Not only in the orchestra pit, but also in your Phaeton. Simply select all of your favourite instruments and enjoy the sound of modern technology, the melody of unlimited opportunity and the symphony of perfect interaction. An exercise in simplicity with Volkswagen Accessories.

DAB+ retrofit kit

(Not illustrated)

DAB+ reception for all car radios! With the DAB+ retrofit, any RDS radio can receive DAB+ (digital radio plus). Adding DAB+ reception to the existing car radio provides access to a wide selection of digital radio stations. The system connects to the car radio wirelessly via an FM transmitter. It is easy to operate, user-friendly and intuitive and works via the supplied remote control which harmoniously integrates into the vehicle's interior. Additional external audio sources, such as MP3 players and iPods, can be connected via the device's AUX IN jack.

Art. no. 000 063 212

Volkswagen Genuine Adapter cable for Volkswagen Genuine MEDIA-IN

You always have the right connection: You can easily listen to your favourite music from various portable audio devices by using the adapter cables for the factory-fitted MEDIA-IN socket. Both the playback and your personal playlist can be comfortably controlled using the radio or radio-navigation system fitted in the vehicle. Listening pleasure included – it caters to every wish.

FREEDOM IS THE SUM OF ALL POSSIBILITIES. PLUS COMFORT.

The best thing about Volkswagen Accessories: You do not have to do without. Especially not without something that you would have liked to have brought along when driving the Phaeton. Make your own freedom and choose your own personal selection from among all of the opportunities that the broad range of accessories has to offer. Create unique diversity. And a sense of freedom from the vast range of possibilities.

Note

Roof bars Page 18, **Roof box** Page 20

Quality is when things simply fit.

For everyone who wants more: even more. More intelligent transport options, for instance. Or more tested safety features. Or simply more of the trusted quality of Volkswagen Genuine Accessories. A trust which is not simply given to the genuine parts but which has to be earned again and again, day after day. Through materials which simply combine better, product designs which simply look better and functions which simply open up additional opportunities. In other words: with the clear desire to make good things better every day. More beautiful, more functional and safer.

QUALITY IS WHEN THINGS SIMPLY FIT.

Uncompromising satisfaction.

Harder, stricter, further, more - the Volkswagen test procedures go beyond the legally prescribed standards. In terms of materials, in the laboratory and finally on the test track. Only 100% quality products are given the Volkswagen Genuine name. No compromises.

Laboratory testing: Corrosion test in saltwater spray systems, UV resistance, environmental compatibility and many additional laboratory tests examine all the relevant material properties. The climate chamber subjects the products to extreme temperatures ranging from -30° Celsius to +90° Celsius. The components' function must be guaranteed and unimpaired at all times.

Endurance: Whether short distances, high-speed or route profiles of varying difficulty – durability under continuous load conditions is tested. The special road endurance test is carried out with a distance of 20,000 km using the maximum permissible load and a variety of different testing profiles.

Test track: Test drives with maximum acceleration both forwards and to the sides, for instance by weaving around obstacles, emergency braking or over cobblestones subject the accessories to extremely hard tests over and over again.

*Volkswagen Accessories.
Because Genuine quality is always
worthwhile.*

Genuine quality is always worthwhile:

- An absolutely perfect fit
- Intensively tested safety
- Easy fitting and removal
- Sophisticated system solutions
- High design standards

CITY CRASH TEST. BECAUSE SAFER IS BETTER.

Volkswagen's in-house crash tests are carried out at speeds higher than those required by DIN 75302, ISO/PAS 11154 and the "City Crash" test – Because Volkswagen believes that its own "City Crash Plus" at 30 km/h and a 20% overload on the roof is more realistic than the standards set by DIN and ISO. The City Crash test simulates a rear-end collision in the inner city at a moderate speed of approximately 17 km/h. Although carried out by "Stiftung Warentest" and the "ADAC", it is not a legal requirement.

Volkswagen Genuine Roof bars

Well-equipped when on the move - thanks to the Volkswagen Accessories roof bar systems. The basis for this are the perfectly-fitting, City Crash¹ tested, aerodynamically-shaped aluminium profile roof bars to which, for example, surf board, bicycle, ski and snowboard holders or the practical roof boxes can be attached to the vehicle roof in no time at all. The roof bars are completely pre-assembled and can be fitted without tools. Thanks to the City Crash test, it has been tested to even higher safety levels than ISO standards. Not suitable for the Phaeton long version.

Art. no. 3D0 071 126

Volkswagen Genuine Kayak holder

No bouncing, no slipping: developed specially for kayaks up to 25 kg in weight, the holder adapts itself perfectly to the shape of the kayak. Four moveable rubber supports secure the kayak during transport. Strong tension belts ensure that the kayak is safely fastened. Not suitable for the Phaeton long version.

Art. no. 1K0 071 127 A

Volkswagen Genuine Bicycle holder

The aerodynamic bicycle holder, which is made of UV-resistant plastic, is mounted on the roof bars using chromed steel holders. The bicycle automatically slides upright into the self-adjusting wheel receiver, leaving both hands free for fastening. The perfectly fitting, completely pre-assembled supporting rods are not only City Crash¹ tested but have also passed the even stricter standards of the Volkswagen City Crash test. The maximum load-bearing capacity is 17 kg. Not suitable for the Phaeton long version.

Art. no. 6Q0 071 128 A

¹City Crash tested according to ISO/PAS 11154

Volkswagen Genuine Komfort ski and snowboard holder

The ski and snowboard holder with its aerodynamic aluminium design can be easily installed on the roof bars and is lockable. Thanks to the practical pull-out function, the carrier system can be easily loaded and unloaded. The extra-large opening buttons mean that the ski holder remains easy to use, even when wearing thick ski gloves. Also available without pull-out function. See the attached price list for an overview of all available versions. Not suitable for the Phaeton long version.

Note

Thanks to the practical pull-out function, the ski and snowboard holder can be very easily loaded and unloaded.

Surfboard holder

Bringing the surfboard safely to its destination: The rubber-coated surfboard carrier and a special rubber protector for the metal clamps on the tensioning straps provide extra protection during transport. Suitable for one surfboard with a two-piece mast. Not suitable for the Phaeton long version.

Art. no. 000 071 120 HA

Volkswagen Genuine Ski bag

The practical ski bag is intended for the protection and transportation of up to four pairs of skis, including ski sticks, in the roof box or in the interior, using a belt clipped into the belt buckle. The ski bag can be stored in the optional space-saving storage bag.

Art. no. 00V 061 202 Ski bag

Art. no. 00V 061 201 Storage bag

Volkswagen Genuine Roof box

The aerodynamic roof box impresses with its minimal driving noise along with the simple and quick installation using a quick-action clamping mechanism. The box is fixed to the carrier through pumping movements of the quick-action clamping mechanism. Further highlights: comfortable and easy opening from both sides thanks to the innovative “Duolift system” and the pneumatic springs integrated at the front and rear as well as optimal anti-theft protection through a 3-point central locking system. The roof box manufactured using DUROKAM® thermoplastic is UV-resistant, light, dimensionally stable, impact-resistant and durable. Max. load-bearing capacity: 75 kg. Colour: Titanium Metallic. See the attached price list for an overview of all available versions. Not suitable for the Phaeton long version.

Note

The innovative DuoLift system enables the roof box to be opened from both sides without any problems.

Roof box, matt black

The new roof box with a volume of approx. 340 litres has an optimised aerodynamic design that minimises unpleasant driving noises as far as possible. The roof box has been adapted to the modern design line of the new Volkswagen models. It opens from one side and is equipped with a 2-lock system. Thanks to the Comfort sliding fitting system the box can be securely fitted on the roof bars with just a few quick motions. Not suitable for the Phaeton long version.

Art. no. 000 071 200

Volkswagen Genuine

Compact II bicycle carrier, foldable

The small, light and compact bicycle carrier weighs only 14 kg and is made in Germany. It is capable of carrying two bicycles or e-bikes with a total weight of up to 60 kg. When mounted on the towing hitch, the bicycle carrier can be conveniently folded downward using the new foot switch to allow access to the rear hatch. When fully folded up, it can be stored in the luggage compartment in no time at all. A bicycle carrier for three bicycles is also available upon request. A practical storage bag is included in the scope of delivery. Folded dimensions: 24 x 58 x 62 cm (for 2 bicycles).

Art no. 3C0 071 105 B

Compact II bicycle carrier, for 2 bicycles

Art no. 3C0 071 105 C

Compact III, for three bicycles (not illustrated)

Note

The carrier can be folded up with one step on the foot switch and the luggage compartment made accessible.

Note

The tail lights, bicycle rails and support frame can be easily folded up into a compact package for storage. The folded-in rear lights are located inside the carrier and are excellently protected during transport.

Volkswagen Genuine Towing hitch, removable

Whether you want to tow a boat, caravan or need additional storage space – if you want to transport a trailer, you need the practical, removable towing hitch. The electrical installation kit must be ordered separately. Instructions for use can be found in the attached price list.

Art no. 3D0 092 155

Volkswagen Genuine Electrical installation kit

(Not illustrated)

The 13-pin electrical installation kit is perfectly designed to match the controlling elements, provides a high level of system reliability and also supports the trailer stabilisation program.

Art no. 3D1 055 204

YOUR MIND IS FREE. FREE OF WORRIES.

The straight road to even greater freedom: Volkswagen Accessories. Our sophisticated product range takes care of everything. No worries. Perfect solutions so that you can finally let your mind run free.

Note

Figure left shows: "Volkswagen Edition" espresso machine Page 26

“Volkswagen Edition” espresso machine including espresso pods

Ideal for espresso fans: you no longer have to find a service area to enjoy your coffee break. The mobile Espresso car set means you always have your own small coffee bar on board. Simply stop for a break, connect the machine to the 12V socket inside your vehicle and enjoy a freshly brewed espresso. The set includes two break-proof espresso cups, a serviette and 25 espresso pods along with an elegant and practical storage case for the set.

Art. no. 000 069 641

Note

Thanks to the storage case included in the scope of delivery, the set can be easily and safely stored away.

Volkswagen Genuine Clothes hanger¹

Sometimes things just have to be crease-free: the stylish clothes hanger can be quickly and simply attached to the headrest bars on the front seats. You can hang up your shirts, jackets and other suitable articles of clothing, keeping them free of creases during transport.

Art.-Nr. 00V 061 127

Volkswagen Genuine Clean Solution waste bag

No waste, no worries: The waste bag can be attached flexibly to the headrest bars on the front seats. If a bag is taken out, a new one is automatically pulled into place. Included in the scope of delivery: two rolls, each with 50 bags.

Art.-Nr. 000 061 107

Volkswagen Genuine Snakey headrest hook

Practical organiser in a twin pack: two-piece mounting for the front seat headrest bars. Simply hook on the things to be transported and off you go.

Art. no. 000 061 126 A 041

Black (2 pieces/not illustrated)

Art. no. 000 061 126 UHS

Corn Silk Beige (2 pieces)

¹Only usable if a passenger is not seated in the rear seat behind it.

Volkswagen Genuine Cool and thermos box

Snacks at the right temperature for every occasion. The energy efficiency class A box is connected via 12V/230V, in the vehicle or at home. Two-litre bottles can be transported upright in the box, which has a capacity of approx. 25 litres. It is delivered with battery discharge protection and a replacement insulation cover.

Art. no. 000 065 400 D

Volkswagen Genuine Luggage compartment liner

Precise protection in a light and flexible form: the anti-slip liner is designed to perfectly fit the shape of the luggage compartment and to reliably protect it from dirt and moisture. When not in use it can be rolled up and easily stowed away to save space.

Art. no. 3D0 061 160

Volkswagen Genuine Rubber footmats

When it comes to keeping things dry, the rubber footmat set is the ideal solution. Dirt and moisture are collected and then removed by simply washing them away. The rubber footmats are made-to-measure, and are connected to the vehicle floor using the integrated fixing system to prevent slipping. Colour: Black.

Art. no. 3D1 061 501 A 041 For front (1 set = 2 mats)

Art. no. 3D0 061 511 A 041 For rear, short wheelbase
(1 set = 2 pieces)

Art. no. 3D7 061 511 041 For rear, long wheelbase
(1 set = 2 mats)

HIGH LEVEL OF SAFETY FOR LITTLE ONES.

Musical boxes, teething rings, picture books or story books – all ages have their own milestones, whether little or large. Every stage of development also has its own challenges. That is why we have developed child safety seats for each age group. Each one offers a convincing combination of high sitting comfort, easy handling and also exceeds the requirements of the ECE-R44/04 standard. All covers can be easily removed and washed at 30°C. And the most important point: your child is well protected when travelling.

Volkswagen Genuine G0 plus ISOFIX

High protection and comfort for new-born babies and babies up to 13 kg or 15 months old: The ISOFIX fastening system ensures that the child seat with its base frame is securely fastened to the vehicle body. Without ISOFIX it can also be used with any 3-point belt. The child is securely held in the seat by a height-adjustable, 5-point full belt safety harness. Further features include an adjustable handle, an easily removable, washable fabric covering, an adjustable-height seat insert and a sun shade.

Art. no. 5G0 019 907 Mit ISOFIX

Art. no. 5G0 019 900 Ohne ISOFIX

Volkswagen Genuine G1 ISOFIX DUO plus Top Tether

Safety and seating comfort for children weighing between 9 and 18 kg (from eight months to approximately four years old). The height of both the full safety harnesses and the sleep support can be adjusted. Furthermore, the sitting position can be adjusted in multiple ways. In addition to the tried and trusted locking system using an ISOFIX connection, the seat is secured at the provided fasteners in the luggage compartment by means of the “top tether” connection in suitably fitted vehicles – thus providing additional support.

Art. no. 5G0 019 909 A

Volkswagen Genuine G2-3 ISOFIT

Children aged between 3 and 12 years (15 to 36 kg) travel safely and comfortably thanks to the height-adjustable sleep supports and the possibility of individually adjusting the height and inclination of the seat to the needs of the child. The seat is attached using the vehicle's ISOFIX anchorage points. The child itself is buckled in using the 3-point seatbelt in the child's seat.

Art. no. 5G0 019 906

Volkswagen Genuine Seat cover

(Illustration right)

The optimum protection for sensitive seats: The easy-to-clean, anti-slip seat cover prevents dirt or wear, for example from child seats. Practical net pockets offer additional stowage space. Also usable with ISOFIX seats.

Art. no. 000 019 819

Volkswagen Genuine

Additional interior rear view mirror

For better visibility and keeping a watchful eye on children travelling in the rear: The additional inside rear view mirror is fixed to the windscreen or the dashboard using a suction cup mounting and can be individually adjusted to take in the interior, the traffic or for parking, thanks to its flexible joint.

Art. no. 000 072 549 A

Volkswagen Genuine Care and cleaning aids

The care and cleaning aids have been developed to work perfectly together in and on the vehicle. Every product is ISO-certified and has also been tested and approved by Volkswagen's central laboratory. For long-term, effective vehicle care which protects both the material and the environment. Please see the attached price list for more detailed information about the individual products along with the seasonal care and cleaning sets.

Fuel canister

A long journey and no service stations along the way? With the 5 litre fuel canister you are always on the safe side and can bridge the distance to the next service station. The canister comes with two filling tubes, one for diesel and one for the petrol.

Art. no. 000 093 060

03 Volkswagen Genuine Tyre bag set

Protect your wheels. With the four robust, high-quality polyester tyre bags and a wheel bolt bag. For tyres and complete wheels with dimensions of up to 18 inches, 245 mm tyre width and 2100 mm tyre circumference.

Art. no. 000 073 900

Volkswagen Genuine Tow rope

Always on the safe side: the TÜV and DIN-tested tow rope can be used for vehicles with a gross weight of up to 2500 kg.

Art. no. 000 093 014

Volkswagen Genuine Warning vest

The fluorescent safety vest with Volkswagen lettering and reflective strips is approved as per DIN EN 471. The safety vest must be carried by law by drivers in company cars in Germany, except when engaging in freelance work, and is already compulsory for all vehicle occupants in some countries. A storage bag is included in the scope of delivery. Colour: Orange.

Art. no. 000 093 056 C 2LD

Volkswagen Genuine First-aid kit

The DIN standard first aid kit is an essential companion in case of accidents. Meets the legal requirements of § 35h StVZO (German road traffic regulations) and DIN 13 164.

Art. no. 6R0 093 108

Volkswagen Genuine Warning triangle

The intelligently designed warning triangle has ECE test certification, requires minimal storage space and can be set up quickly and safely thanks to its swivelling metal foot.

Art. no. 000 093 057

The complete Lifestyle Collection can be found at
www.volkswagen-zubehoer.de/lifestyle

STAY OPTIMISTIC. WE TAKE CARE OF EVERYTHING ELSE.

Optimists live longer and lead happier lives. Your bright future should stay that way. So make sure that the Phaeton truly lives up to your positive expectations. Volkswagen Lifestyle products serve as the practical realists and active assistants in a diverse range of situations. So that you stay optimistic - proving you right.

Note
